

**Rock and Roll is here to stay – from *Grease***

Rock, oh baby

Rock, oh baby

Rock, oh baby

Rock, oh baby

Rock and Roll is here to stay

It will never die

It was meant to be that way

Though I don't know why

I don't care what people say

Rock and Roll is here to stay!

We don't care what people say

Rock and Roll is here to stay!

Rock and Roll will always be

I dig it to the end

It'll go down in history

Just you watch my friend

Rock and Roll will always be

It'll go down in history!

Rock and Roll will always be

It'll go down in history!

Everybody rock!

Everybody rock!

Everybody rock!

Everybody rock!

Rock on!

Everybody rock!

Rock and Roll is here to stay

It will never die

It was meant to be that way

Though I don't know why

I don't care what people say

Rock and Roll is here to stay!

Rock, oh baby

Rock, oh baby

Rock, oh baby

Rock!

Rock 'n Roll!

## **Fight Song – Rachel Platten**

Like a small boat on the ocean

Sending big waves into motion

Like how a single word

Can make a heart open

I might only have one match

But I can make an explosion

And all those things I didn't say

Were wrecking balls inside my brain

I will scream them loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song

My power's turned on

Starting right now, I'll be strong

I'll play my fight song

And I don't really care if nobody else believes

'Cause I've still got a lot of fight left in me

Losing friends and I'm chasing sleep

Everybody's worried 'bout me

In too deep, say I'm in too deep

And it's been two years, I miss my home

But there's a fire burning in my bones

Still believe, yeah, I still believe

And all those things I didn't say

Wrecking balls inside my brain

I will scream 'em loud tonight

Can you hear my voice this time?

This is my fight song

Take back my life song

Prove I'm alright song  
My power's turned on  
Starting right now, I'll be strong  
I'll play my fight song  
And I don't really care if nobody else believes  
'Cause I've still got a lot of fight left in me

A lot of fight left in me

Like a small boat on the ocean  
Sending big waves into motion  
Like how a single word  
Can make a heart open  
I might only have one match...

...But I can make an explosion

This is my fight song

Take back my life song  
Prove I'm alright song  
My power's turned on  
Starting right now, I'll be strong  
I'll play my fight song  
And I don't really care if nobody else believes  
'Cause I've still got a lot of fight left in me

No, I've still got a lot of fight left in me

## Light up the world – from *Glee*

Hey-hey-hey you and me  
Turn it up ten thousand watts  
Tell me why we've gotta stop  
I just want to let it rock

Hey-hey-hey you and me  
Keep on staring at the road  
Like we don't know where to go  
Step back, let me take control

Lay it all down (All down)  
Got somethin' to say  
Lay it all down (All down)  
Throw your doubt away

Do or die now (Die now)  
Step onto the plate  
Blow the door wide open like  
  
Up up and away!

Let's light up the world toni-i-ight  
You gotta give up the bark and bi-i-ite  
I know that we got the love alri-i-ight  
Come on and li-li-light it up, light it up tonight!

Let's light up the world toni-i-ight  
You gotta give up the bark and bi-i-ite  
I know that we got the love alri-i-ight  
Come on and li-li-light it up, light it up tonight!

Hey-hey-hey you **(CLAP)**  
Hey-hey-hey you  
Hey-hey-hey you  
Hey-hey-hey you

Hey-hey-hey you

Hey-hey-hey you you, you you you, you you you you!

Lay it all down (All down)

Got somethin' to say

Lay it all down (All down)

Throw your doubt away

Do or die now (Die now)

Step onto the plate

Blow the door wide open like

Up up and away!

Let's light up the world toni-i-ight

You gotta give up the bark and bi-i-ite

I know that we got the love alri-i-ight

Come on and li-li-light it up, light it up tonight!

## Shooting Star – Owl City

Close your tired eyes, relaxing them

Count from one to ten and open them

All these heavy thoughts will try to weigh you down, but not this time

Way up in the air, you're finally free, and you can stay up there, right next to me

All this gravity will try to pull you down, but not this time

When the sun goes down, and the lights burn out,

Then it's time for you to shine

Brighter than the shooting star, so shine no matter where you are

Fill the darkest night, with a brilliant light,

'Cause it's time for you to shine

Brighter than a shooting star, so shine no matter where you are, tonight

Whoa, whoa, whoa

Brighter than a shooting star,

Shine no matter where you are, tonight

Gaze into my eyes, when the fire starts,

And feel\* the flame so hot, it melts our hearts

All the pouring rain will try to put it out, but not this time

Let your colours burn, and brightly burst,

Into a million sparks, that all disperse,

Illuminate a world that will try to bring you down, but not this time

When the sun goes down, and the lights burn out,

Then it's time for you to shine

Brighter than the shooting star, so shine no matter where you are

Fill the darkest night, with a brilliant light,

'Cause it's time for you to shine

Brighter than a shooting star, so shine no matter where you are, tonight

Whoa, whoa, whoa

Brighter than a shooting star,

Shine no matter where you are, tonight

\*sometimes 'fan' but is 'feel' on the lyric video so have gone with that.

## Joy

I hear it all around me  
It's a sound that can't be stopped  
It echoes through the valley  
And from the highest mountain top

What is that sound I'm hearing  
Coming from each girl and boy?  
Why is the whole world cheering?  
Is that the sound of joy?

Joy!  
Oh Joy!  
Joy!  
Oh Joy!

I see the sun rise  
I see the river flowing  
I see the bright blue sky  
I hear the music  
I see the people dancing  
I know the reason why

Joy!  
Oh Joy!  
Joy!  
Oh Joy!

I hear it all around me  
It's a sound that can't be stopped  
It echoes through the valley  
And from the highest mountain top

We celebrate the friendship

Shared with every girl and boy  
We sing and dance together  
The world is filled with Joy!

Joy!  
Oh Joy!  
Joy!  
Oh Joy!

Out in the country  
Or in the crowded city  
The people smile and sing  
The high and mighty  
The poor (but not forgotten)  
All hear the same bells ring

Joy!  
Oh Joy!  
Joy!  
Oh Joy!  
Joy!  
Oh Joy!  
Oh Joy!

## Seize the Day – from *Newises*

Now is the time to seize the day!  
Stare down the odds and seize the day  
Minute by minute, that's how you win it  
We will find a way  
But let us seize the day

Now is the time to seize the day  
(Now is the time to seize the day)  
Answer the call and don't delay  
(Answer the call and don't delay)  
Wrongs will be righted  
If we're united  
Let us seize the day!

Now let 'em hear it loud and clear  
(Now let 'em hear it loud and clear)  
Like it or not we're drawing near  
(Like it or not we're drawing near)  
Proud and defiant  
We'll slay the giant  
Judgement day is here!

Houston\* to Harlem  
Look what's begun!  
One for all and all for one!

Strike! Strike!  
Strike! Strike! Strike! Strike!  
Strike! Strike! Strike! Strike!  
Ohhhhhhhh

Now is the time to seize the day  
(Now is the time to seize the day)

Answer the call and don't delay  
(Answer the call and don't delay)  
Nothing can break us  
No one can make us  
Quit before we're done!

One for all and all for...  
One for all and all for...  
One for all and all...  
For one!

## Shake it off – Taylor Swift

I stay out too late  
Got nothin' on my brain  
That's what people say, mm mm  
That's what people say, mm mm.

I go on too many dates  
But I can't make 'em stay  
At least that's what people say, mm mm  
That's what people say, mm mm.

But I keep cruisin'  
Can't stop, won't stop moving  
It's like I got this music in my mind  
Sayin' it's gonna be alright.

'Cause the players gonna play, play, play, play, play  
And the haters gonna hate, hate, hate, hate, hate  
Baby, I'm just gonna shake, shake, shake, shake, shake  
I shake it off  
I shake it off.

Heartbreakers gonna break, break, break, break, break  
And the fakers gonna fake, fake, fake, fake, fake  
Baby, I'm just gonna shake, shake, shake, shake, shake  
I shake it off  
I shake it off.

I shake it off  
I shake it off, I, I  
I shake it off  
I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

‘Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate

Baby, I’m just gonna shake, shake, shake, shake, shake

I shake it off

I shake it off.

Heartbreakers gonna break, break, break, break, break

And the fakers gonna fake, fake, fake, fake, fake

Baby, I’m just gonna shake, shake, shake, shake, shake

I shake it off

I shake it off.

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off, I, I

I shake it off

I shake it off.

## St Elmo's Fire – John Parr

Growing up, you don't see the writing on the wall  
Passing by, moving straight ahead, you knew it all  
But maybe sometime if you feel the pain  
You'll find you're all alone, everything has changed

Play the game, you know you can't quit until it's won  
Soldier on, only you can do what must be done  
You know in some way you're a lot like me  
You're just a prisoner and you're trying to break free

I can see a new horizon underneath the blazing sky  
I'll be where the eagle's flying higher and higher  
Gonna be your man in motion, all I need is a pair of wheels  
Take me where my future's lying, St. Elmo's fire

Ooh, oooh, oooh

Burning up, don't know just how far that I can go  
Soon be home, only just a few miles down the road  
I can make it, I know, I can  
You broke the boy in me but you won't break the man

I can see a new horizon underneath the blazing sky  
I'll be where the eagle's flying higher and higher  
Gonna be your man in motion, all I need is a pair of wheels  
Take me where my future's lying, St. Elmo's fire

I can climb the highest mountain, cross the wildest sea  
I can feel St. Elmo's fire burning in me, burning in me

Just once in his life a man has his time  
And my time is now, I'm coming alive

I can hear the music playing, I can see the banners fly  
Feel like a man again, I'll hold my head high  
Gonna be your man in motion, all I need's this pair of wheels  
Take me where my future's lying, St. Elmo's fire

I can see a new horizon underneath the blazing sky

I'll be where the eagle's flying higher and higher

Gonna be your man in motion, all I need's this pair of wheels

Take me where my future's lying, St. Elmo's fire

**We're all in this together – from *High School Musical***

Alright, here we go!

Together, together

Together, everyone!

Together, together

Come on let's have some fun!

Together, we're there for each other every time.

Together, together

Come on let's do this right.

Here and now, it's time for celebration

I finally figured out, yeah yeah

That all our dreams have no limitations

That's what it's all about

Come on now.

Every one is special in their own way

We make each other strong

We're not the same

We're different in a good way

Together's where we belong.

We're all in this together

Once we know that we are

We're all stars, and we see that

We're all in this together

And it shows when we stand hand in hand

Make our dreams come true

Everybody now!

Together, together

Together, everyone!

Together, together

Come on let's have some fun!

Together, we're there for each other every time.

Together, together

Come on let's do this right.

We're all here and speaking out with one voice

We're gonna rock the house, yeah yeah

The party's on, now everybody make some noise

Come on and scream and shout.

We've arrived because we stuck together

Champions one and all!

We're all in this together

Once we know that we are

We're all stars, and we see that

We're all in this together

And it shows when we stand hand in hand

Make our dreams come...

We're all in this together

When we reach, we can fly

Know inside we can make it

We're all in this together

Once we see there's a chance that we have

And we take it!

Wildcats everywhere

Wave your hands up in the air

That's the way we do it let's get to it

Come on everyone!

## **I've got the music in me – Kiki Dee**

Ain't got no trouble in my life

No foolish dream to make me cry

I'm never frightened or worried

I know I'll always get by

I heat up, I cool down

When something gets in my way, I go round it

Don't let life get me down

Gonna take it the way that I found it

I got the music in me

I got the music in me

I got the music in me, yeah

I got the music in me

I got the music in me

I got the music in me

They say that life is a circle

But that ain't the way that I found it

Gonna move in a straight line

Keeping my feet firmly on the ground

I heat up, I cool down

I got words in my head, so I say them

Don't let life get me down

Catch a hold of my blues and just play them

I got the music in me

I got the music in me

I got the music in me, oh

I got the music in me

I got the music in me

I got the music in me

Feel funky, feel good

Gonna tell ya, I'm in the neighborhood

Gonna fly like a bird on the wing

Hold on to your hat, honey

Sing, sing, sing, sing

Heat up, cool down

I got words in my head, so I say them

Don't let life get me down

Catch a hold of my blues and just play them

I got the music in me

I got the music in me

I got the music in me, yeah

I got the music in me

I got the music in me

I got the music in me

I got the music in me

I got the music in me

I got the music in me, yeah

I got the music in me

I got the music in me

I got the music in me

Ain't got no trouble in my life

No foolish dream to make me cry

I'm never frightened, I'm never worried

I know, I know I'll always get by

I got the music in me

I got the music in me

I got the music in me, yeah

I got the music in me

I got the music in me

I got the music in me, yeah

I got the music in me

I got the music in me

I got the music in me yeah

I got the music in me

I got the music in me

I got the music

Pretty music

I got the music

In me
